

4-5-4 List of Japanese Language Classes

These are Japanese language classes held at community halls, and other public facilities in Hiroshima City, Hatsukaichi City, Kaita-cho and Fuchu-cho. The lessons are free for the most part, however, some classes may charge a fee for materials. Some classes require you to observe the lesson in advance. There is also the possibility that the information mentioned below has changed. Please inquire at the relevant class for further information before you attend the lesson.

As of December, 2008
