

Trio-Phone Service

(Multilingual Interpretation over the Telephone)

What is Trio-Phone ?

The Trio-Phone Service allows three people to have a conversation at the same time over the telephone. If you are having difficulties communicating in Japanese, call the International Exchange Lounge (082-247-9715). One of our registered volunteer interpreters will help you using the Trio-Phone Service!

- Please understand that some waiting time may be required due to the time needed to find a volunteer or other unavoidable circumstances.
